

WHAT:

Dance performance
man in e.space.mov

Furthermore LAb[au] will present during the Scopitone festival its dance performance: [Man in e.space.mov](#)

WHERE:

Scopitone festival [...>]
lieu de nuit _ le chapiteau
Nantes, France

The performance ' MAN in eSPACE.mov ' is the result of the collaboration between the French dance company 'Res Publica', the belgian musician Marc Wathieu and LAb[au]. The performance is an interactive dance performance examining the notions of space and movement, confronting them to communication and computation technologies to underline the relationships between body and space _ bodyspace.
